THIS IS AN INVITATION TO JOIN US FOR A VERY SPECIAL LUNCH

A life changing experience came for two people after their chance meeting in Cambodia in 2006.

TITH TEK, a young Cambodian village man and LYN HOTCHIN, a retired Toowoomba woman visiting Phnom Penh with her daughter, met under a street light outside the Himawari Hotel in Phnom Penh, where Tith lived giving moto rides to support his family back in his village and to take the opportunity to practise his English with tourists.

Out of their conversations came shared dreams and what followed was quite extraordinary.

An empty rice field became an Education Centre where today nearly 2000 village children attend daily and have access to education opportunities and improved health programs.

TITH TEK is coming to Australia to be guest speaker at our fundraising lunch, where he will talk about his remarkable journey.
